

WAC 25-48-085 Applications for excavation and removal of previously registered shipwrecks and historic aircraft. Where the completed application is for the excavation and/or removal of an historic archaeological resource that is a shipwreck or historic aircraft that has been registered with the department by a person other than the applicant, the department will:

(1) Notify the person by certified mail, return receipt requested, that registered the historic archaeological resource with the department that it shall have sixty days from receipt of notice to submit its own permit application and exercise its first refusal right, or the right shall be extinguished.

(2) Notify the applicant that its permit application will not be acted upon until the person that has registered the historic archaeological resource has exercised its right of first refusal by submitting a permit application or has allowed its right to be extinguished.
