**WAC 284-43-5820**  Representations regarding coverage. A health benefit plan issuer must not indicate or imply that a health benefit plan covers essential health benefits unless the plan, policy, or contract covers the essential health benefits in compliance with WAC 284-43-5400 through 284-43-5800. This requirement applies to any health benefit plan offered on or off the Washington health benefit exchange.
