

WAC 296-150I-0380 Manufacturer's installation instructions. A manufacturer's installation manual must be provided for the inspecting jurisdiction when the manufacturer's original installation instructions are not available for a secondary installation, the installer shall provide an affidavit in lieu of the installation instruction manual, that the home is installed to the provisions of this chapter.

(1) The installation instructions must be located between the I-beam and the bottom board within five feet of the main electrical feeder when the skirting has not been installed.

(2) When the skirting has been installed, the installation instructions shall be located between the I-beam and the bottom board within five feet of the access opening.

(3) Instructions must be returned to this location when the inspection is completed.
