

WAC 296-20-03040 Administering urine drug testing. Providers must administer a urine drug test and document results during the sub-acute phase and repeat at intervals according to the worker's risk category as described in the agency medical directors' group's guideline if prescribing chronic opioid therapy. The department or self-insurer may deny additional payment for urine drug testing when opioid coverage is denied.

[Statutory Authority: RCW 51.04.020 and 51.04.030. WSR 13-12-024, § 296-20-03040, filed 5/28/13, effective 7/1/13.]
