- WAC 388-106-0120 What is the payment rate that the department will pay the provider if I receive personal care services in a residential facility? The department publishes rates and/or adopts rules to establish how much the department pays toward the cost of your care in a residential facility.
- (1) For CFC, COPES, MPC, medical care services, RCL, and new freedom programs, the department assigns payment rates to the CARE classification group. Under these programs, payment for care in a residential facility corresponds to the payment rate assigned to the classification group in which the CARE tool has placed you.
- (2) The enhanced services facility rate is determined by legislative action and appropriation.
- (3) The rate for adult family homes with a specialized behavior support contract is based on the CARE classification group and an addon amount, which is negotiated through the collective bargaining process.
