

WAC 388-71-06155 When will an IP or prospective IP be removed from the referral registry? An IP or prospective IP will be removed from the referral registry when he or she:

(1) Fails to meet the ongoing requirements set forth in WAC 388-71-06150;

(2) In the performance of his or her duties as an IP, has committed any unlawful act or provided care in an improper manner, including but not limited to:

(a) An act that jeopardized the health and safety of any persons;
or

(b) Has demonstrated a pattern of poor performance.

(3) Requests that his or her name be removed from the referral registry;

(4) Has had his or her individual provider contract terminated under WAC 388-71-0551 or 388-825-385.

[Statutory Authority: RCW 74.08.090, 74.09.520. WSR 14-13-062, § 388-71-06155, filed 6/12/14, effective 7/13/14.]
