PART II: ENFORCEMENT

WAC 504-19-200 Enforcement authority. WSUV public safety and parking services are charged with the impartial enforcement of these regulations. Officers of these departments have authority to issue parking tickets, to impound vehicles, and to control access to areas.

[Statutory Authority: RCW 28B.30.150. WSR 24-15-027, § 504-19-200, filed 7/10/24, effective 8/10/24; WSR 08-08-049, § 504-19-200, filed 3/27/08, effective 7/1/08. Statutory Authority: RCW 28B.30.095, 28B.30.125, 28B.30.150, 28B.10.560 and chapter 34.05 RCW. WSR 96-15-050, § 504-19-200, filed 7/15/96, effective 8/15/96.]

WAC 504-19-210 Times of enforcement. Parking regulations are subject to enforcement at all times.

(1) Parking permit areas. All parking permit areas are limited to authorized permit holders during specific hours. These hours are posted in each parking area at the entrance to parking areas or along roadways where parking is marked.

(2) Restricted spaces. These spaces are restricted for their designated purpose at all times unless signed otherwise:

- (a) Disability zones.
- (b) Load/unload.
- (c) Service.

- (d) Reserved.
- (e) Reserved (bagged) parking meters.
- (f) Pedestrian mall.

(g) Areas which are specially signed or physically set apart by barricades, traffic cones, tape, or other traffic devices.

(3) Parking metered spaces. Parking meters are in effect during the times posted on each meter. During these times the meter must be paid the posted amount. Additional time cannot be purchased beyond the meter's posted maximum time limit (e.g., a 30-minute meter will allow a maximum of 30 minutes to be purchased at one time). A motor vehicle which is parked at an expired meter is considered in violation initially, and after each period equal to the maximum time posted for the meter. In such case, a parking ticket may be issued for each violation. For example, a vehicle parked at a meter with a two-hour maximum time limit for six hours and five minutes of CONTINUOUS unpaid parking at the same meter would be eligible for up to three parking tickets.

(4) Pay parking facilities. Some parking areas provide parking on an hourly basis. Hours of operation and a schedule of fees are posted at the facility entrance and at the point of payment. Parking tickets are issued to vehicles that are parked over the duration of time that was paid for and for nonpayment. Parking areas with parking meters are not considered pay parking facilities.

[Statutory Authority: RCW 28B.30.150. WSR 24-15-027, § 504-19-210, filed 7/10/24, effective 8/10/24; WSR 08-08-049, § 504-19-210, filed 3/27/08, effective 7/1/08. Statutory Authority: RCW 28B.30.095, 28B.30.125, 28B.30.150, 28B.10.560 and chapter 34.05 RCW. WSR 96-15-050, § 504-19-210, filed 7/15/96, effective 8/15/96.]

WAC 504-19-220 Signed and marked areas. (1) Parking on campus is permitted only in the marked and/or signed spaces in parking areas and on streets. All other areas outside these designated areas are "no parking zones." Each parking area has signs or markings to indicate the type of parking permit or parking payment required and the times they are required.

(2) Individual parking spaces are marked, and no vehicle may be parked so as to occupy any portion of more than one parking space. The fact that other vehicles were parked in a manner requiring a vehicle to occupy a portion of more than one space shall not constitute an excuse for a violation of this regulation.

(3) Standing (the stopping of a vehicle with the driver remaining in it) is permitted in marked parking spaces, except metered spaces and restricted spaces, even though the vehicle does not have a valid parking permit. Double parking while "standing" is not permitted.

(4) Should there be a conflict between these regulations, map designation, and on-site signs regarding parking instructions, the on-site sign takes precedence.

(5) Permit areas and restricted spaces are not always signed individually.

[Statutory Authority: RCW 28B.30.150. WSR 08-08-049, § 504-19-220, filed 3/27/08, effective 7/1/08. Statutory Authority: RCW 28B.30.095, 28B.30.125, 28B.30.150, 28B.10.560 and chapter 34.05 RCW. WSR 96-15-050, § 504-19-220, filed 7/15/96, effective 8/15/96.]

WAC 504-19-250 Motorcycles and mopeds. (1) The general traffic regulations applicable to motor vehicles apply to motorcycles and mopeds. Motorcycles or mopeds may not be driven on sidewalks or in pedestrian mall areas. Owners of motorcycles and mopeds are responsible for all violations issued.

(2) The university classifies mopeds and motorcycles in accordance with the definitions established by the state of Washington for licensing purposes. See RCW 46.04.304 and 46.04.330.

(3) Motorcycles and mopeds may park only in spaces which are marked by signs or the letter "M" painted on the parking surface. Motorcycles and mopeds parking in such designated areas must display a valid WSUV motorcycle permit during posted times. During all other times, these spaces are restricted to use by motorcycles and mopeds only. To park a motorcycle or moped in nonmotorcycle parking spaces, a full-price vehicle permit must be displayed in an approved motorcycle permit holder. Approved motorcycle permit holders may be signed out from parking services at the time of permit purchase. Issued permit holders must be returned to parking services within two weeks of the permit's expiration date or an administrative service fee is charged to the permit user's account.

(1) Each registered parking permit holder shall be financially responsible for parking tickets on vehicles:

- (a) Registered with parking services; and/or
- (b) Displaying the registered parking permit holder's permit.

(2) Owners of vehicles are held ultimately financially responsible for parking tickets issued to their vehicles.

WAC 504-19-450 Replacement parking permits and indicators. (1)

Sold or traded vehicles. Failure to advise parking services of a sale or trade for registration purposes may result in continued responsibility to the permit holder for parking tickets received on that vehicle.

The permit holder has responsibility for removing parking permits prior to selling or trading a vehicle. The identifiable remnants of the original permit must be presented to parking services to receive a free replacement. Individuals failing to comply with this requirement shall pay the cost of a new permit.

(2) Lost/stolen permits. Permit holders are responsible for the security of their permits. The theft or loss of a parking permit should be reported to parking services immediately upon discovery. A lost or stolen permit may be replaced upon payment to parking services of the cost of replacing the permit, according to a schedule adopted by parking services. Lost or stolen permits must be returned to parking services immediately if recovered.

(3) Windshield replacements. When a permit-bearing windshield is replaced, the permit replacement fee is waived if proof of windshield replacement is presented.

WAC 504-19-460 False information. No person shall obtain, attempt to obtain, or use in a manner contrary to these regulations, a modified parking permit or a permit issued upon false information. A violation of this section includes giving a false name, address, identification number, and/or other information known to be false. It also includes the use of a visitor, conference, and commercial permit by staff or students. Violation of this provision shall constitute the illegal use of a parking permit and is subject to the issuance of parking tickets.

(1) The purpose for which the permit was issued changes or no longer exists;

- (2) A permit is used on an unauthorized vehicle or by an unauthorized person;

WAC 504-19-510 Parking permits—General. Parking services issues parking permits for designated areas of the campus. Any vehicle parked on the campus, other than a pay area or metered space, must clearly display a valid WSUV parking permit in accordance with this chapter during the posted hours and in locations when and where permits are required. University staff and students may not use any other permit in lieu of a valid university parking permit.

WAC 504-19-520 Parking permits—Form and display. All parking permits must be displayed in the approved position on the vehicle with permit numbers and relevant dates visible. Vehicles with permits which are not displayed in accordance with the provisions of this section are subject to parking tickets for the violation of improperly displaying a permit, or for the violation of no parking permit if a valid permit cannot be verified from the exterior of the vehicle.

(1) Autos and trucks:

(a) Daily permits must be displayed as instructed on the permit.

(b) Annual and semester permits must be displayed on the left side (driver's side) of the windshield. Permits must be mounted completely by means of their own design. No additional substances may be used to adhere the permit to the windshield unless approved by parking services.

(2) Motorcycles and mopeds. Motorcycle and moped permits must be mounted completely by means of their own adhesive and prominently displayed on the left rear side of the vehicle or on top of the rear tail light.

(3) Virtual permits. Certain parking permissions do not require that a permit be displayed. In those instances, the virtual permit is associated with the vehicle license plate registered.

(a) Vehicles must be parked so that the license plate is visible from the driving aisle.

(b) No covers may be placed over the license plate that would inhibit the reflectivity of the plate.

(c) The alphanumeric characters of the license plate must be visible and unobstructed by license plate frames and/or other accessories.

(d) Individuals with virtual permits must ensure their current vehicle is registered and associated with their virtual permit through parking services.

(e) Multiple registered vehicles may be associated on the same virtual permit. In this case, no more than one registered motor vehicle using the virtual permit may be parked on campus at a time.

WAC 504-19-540 Zone parking permits—Availability and use. The management and assignment of parking zones is designed to provide a parking space to permit holders. However, uncontrolled access to parking areas and unexpected parking demand make it impossible to guarantee a parking space in the permit holder's assigned zone. Staff and students are generally assigned to specific parking areas referred to as zones. Parking zones are color-coded with respect to their price and numbered with respect to the specific parking zone assignment of each permit holder. Permit holders may park in their assigned zone as reflected by the combination of color and number on their permit and corresponding sign, or they may park in other zones as described below.

(1) Orange permits. Orange permit holders may park in any orange zone, or in any green, red, or gray zone.

(2) Green permits. Green permit holders may park in any green zone, or in any red or gray zone.

(3) Red permits. Red permit holders may park in any red zone, or in any gray zone.

(4) Gray permits. Gray permit holders may park in any gray zone.

WAC 504-19-560 Other parking permits—Availability and use. (1) Visitor permits. Visitor permits may be used only by bona fide visitors as defined by this chapter. Use by any other person constitutes illegal use of a parking permit. Visitor permits are valid in any zone and parking spaces signed for visitors only. Visitor permits are not valid at meters or restricted spaces.

(2) Permits honored by reciprocal agreement. Permits from other universities, including other WSU campuses, may be used only if detailed in and allowed by a fully executed reciprocal agreement with WSU Vancouver.

(3) Golden cougar permits. Golden cougar permits are special permits that are issued to retired staff in recognition of their service without additional cost. They are issued on an annual basis and are

valid in any zone that is designated and approved by parking services. Staff who are employed by the university or other entities located on campus after formal retirement are not eligible to use a golden cougar permit in lieu of a regular paid zone permit.

(4) President's associates decals. President's associates decals are issued to eligible members of the Washington State University foundation. Use of these decals for parking shall be in accordance with a separate agreement between WSU and the WSU foundation. However, WSU faculty, staff, and students may not use a president's associates decal or any other parking benefit instrument in lieu of a paid zone permit.

(5) Event/conference permits. Event/conference permits are available to visitors who participate in events or conferences held on the WSUV campus. They are available on a daily basis only. Event/conference permits are valid as marked on the issued permit.

(6) Motorcycle permits. Motorcycle permits are valid within boundaries of areas specifically posted or marked for motorcycle permits.

(7) Construction permits. A construction permit is issued to personnel who are working on a construction site on campus. Construction permits are assigned to a specific parking area.

(8) Carpool. Upon application to WSUV parking services, a bona fide carpool as defined by the campus policies and procedures is given preference in the assignment of parking zones, and issued a permit that facilitates the carpool. Carpool permits shared by more than one registered vehicle, virtual or otherwise, may not park more than one vehicle associated with the permit on campus at the same time. Obtaining or using a carpool permit under false pretenses constitutes the illegal use of a permit.

(9) Commercial permits. Commercial permits are issued to vendors, suppliers, and service representatives of outside companies performing a service for the university. Commercial permits are valid in zones and areas indicated on the permit.

(10) Departmental permits. Departmental parking permits are available for use by department employees who need to use their personal vehicles for university business. Departmental permits are available in different forms and are valid at parking meters, service zones, orange, green, red, and gray permit zones, and pay parking facilities. Departmental permits are not valid in reserved spaces. The use of departmental permits for anything other than official departmental business is prohibited by the State Ethics Act.

WAC 504-19-580 Special virtual designation, indicator decals, and hangers. Special virtual designation, indicator decals, or hangers may be issued to staff and student permit holders who have otherwise valid parking permits in the following cases:

(1) A "service virtual designation, indicator decal, or hanger" is valid typically for a maximum of 30 minutes in a marked service

zone. A "mall service" virtual designation or indicator is valid typically for a maximum of 30-minute parking in the pedestrian mall. If the virtual designation or indicator is needed for longer than 30 minutes, the issued permit is subject to the current daily rate for parking on the WSUV campus unless a parking permit valid for that time period is already present in the vehicle.

(2) Reserved parking virtual designation, indicator decals, and hangers which are valid in parking spaces that are signed for the corresponding permit and designation or indicator.

WAC 504-19-600 Parking for individuals with disabilities. (1)

The provisions of this chapter cover disability parking and the payment of fees and fines associated with parking for individuals with disabilities.

(2) For the purpose of this chapter, individuals with disabilities shall refer to individuals with disabilities who qualify for a state-issued individual with disabilities parking identification and permit as provided in chapter 308-96B WAC. Use of disability accommodation parking at WSUV also requires payment for parking in the form of a WSUV parking permit or receipt of payment.

(3) The university uses the state individual with disabilities parking permit system to determine eligibility for disability parking.

(4) Unless otherwise authorized, parking in spaces designated for individuals with disabilities requires a state-issued disability parking placard or license plate and a WSUV parking permit or proof of payment to park on campus. University semester and annual parking permits for individuals with disabilities are available at the gray zone rate. Daily and temporary parking permits are available at the regular rates.

(5) Individuals with a state-issued disability parking placard or license plate and a WSUV parking permit or proof of payment may park in parking spaces designated for individuals with disabilities and any other, nonrestricted permit space within a parking permit zone.

(6) Individuals with a state-issued disability parking placard or license plate and a WSUV parking permit or proof of payment may not park in restricted spaces with the exception of individuals with disabilities parking spaces.

(7) Unless otherwise posted, any university parking permit to include a state-issued disability parking placard or license plate is not valid in lieu of payment of regular posted fees in pay parking lots and facilities.

(8) A state-issued individuals with disabilities license plate, placard, or permit is valid in parking zones during times when a university permit is not required.

(9) The university intends to retain control of access to the pedestrian malls on campus. For that reason a state-issued disability parking placard or license plate and a WSUV parking permit or proof of payment is required as authorization to use a pedestrian mall to ac-

cess marked individuals with disabilities parking spaces within the confines of a pedestrian mall.

WAC 504-19-650 Parking fees and fines. (1) Schedules for parking fees, parking administrative fees, late payment fees, parking fines and sanctions, parking meter rates, prorate and refund schedules, and the effective date thereof are submitted to the president or designee and to the board of regents for approval by motion, provided however, that increases in fees and fines do not exceed limits established by the board of regents. Increases in fees and fines that do not exceed limits established by the board of regents are not submitted to the board of regents so long as the board of regents has delegated authority to the president or designee to approve all such fees and fines. The schedules described above for all parking fees and fines are thereafter posted in the public area of parking services office and posted on parking service's website.

(2) Before purchasing a permit, the balance of any fees and fines owed to parking services must be paid in full.

(3) Payments. Parking fees and fines may be paid at parking services by cash, check, approved payment card, or money order, and online through the WSUV parking services payment portal website. A payroll deduction plan is available for eligible university employees and eligible graduate students.

(4) The annual fee for any shorter period relative to all permits shall be prorated according to the published schedule.

(5) The proper fee must be paid for all vehicles parked in parking meter spaces unless otherwise authorized.

(6) Staff members whose work schedules qualify them for nighttime differential pay may purchase a permit for one-half the regular fee. Verification is required.

(7) Refunds. Annual permits being relinquished may be returned to parking services for a pro rata refund (if any is available) in accordance with university policy. Identifiable remnants of the permit must be returned. In the case of annual virtual permits, the permit purchaser must notify parking services in person or in writing that they want to relinquish the permit permissions for a pro rata refund (if any is available) in accordance with university policy. The balance of any fees and fines owed parking services is deducted from any refund due. Refunds for temporary permits are not granted. Refunds for pretax payroll deductions cannot be granted pursuant to federal tax laws.

(8) Parking services makes a wide array of options available in advance to university departments for use by their visitors, guests, and employees for the purpose of conducting departmental business. However, when necessary, university departments that can establish in writing that a parking ticket issued by parking services was received as a result of parking any vehicle for the purpose of conducting official state business, or while conducting official business with the

university or an entity located at the university are assessed a parking fee assessment (PFA) in lieu of the parking fine. Such requests for PFAs are signed by a department fiscal custodian. A PFA consists of the maximum daily parking fee plus an additional administrative fee for failing to purchase and provide the necessary parking permit or fee in advance or at the time of parking. University departments are encouraged to avoid additional administrative fees associated with PFAs by purchasing and storing prepaid parking permits and by making them available as the department deems necessary. Nothing in this rule allows a university employee to receive, or attempt to receive, any benefit associated with their personal expenses in violation of the State Ethics Act. All questionable employee conduct regarding the application of this section is reported to, and investigated by, the university internal auditor. This section applies only to parking tickets issued pursuant to this chapter.

WAC 504-19-750 Reciprocal parking agreements. (1) Purpose. The university can enter into reciprocal parking agreements with other universities and Washington State University campuses for the purpose of enhancing the accessibility to various campuses for staff and students participating in various courses and programs.

(2) The university faculty, staff, and students assigned to, enrolled at, or who pay fees to the WSUV campus or employees of other entities located on the WSUV campus must display a valid university parking permit when parking at the university. Any attempt by the above personnel to use a parking permit from another university campus in lieu of a valid university WSUV campus permit may result in a fine for illegal use of a parking permit.

PART IV: FINES, SANCTIONS, AND APPEALS

WAC 504-19-810 Violations, fines, and sanctions. (1) Violations and fines. Parking violations are processed by the university. Fines must be paid at parking services or at other authorized locations. Schedules for parking violations, fines, and sanctions are posted in the public area of the parking services office and on parking service's website.

(2) Reduction of fines.

(a) Fines for violations of overtime/nonpayment at meter and overtime in time zone paid within 24 hours of issuance are reduced by one-half. Eligible violations received on Friday or Saturday can be paid on the following Monday to satisfy the 24-hour requirement.

Mailed payment must be postmarked within 24 hours to receive the one-half reduction.

(b) Visitors. The first violation of notices for "no parking permit" and "no parking permit for this area" issued to a visitor is considered a warning notice upon presentation to parking services.

(c) If a permit holder of record neglects to display their permit and receives a notice of violation for "no parking permit," a reduced fine is assessed when possession of a valid parking permit for the location is verified by parking services within 24 hours.

(d) Internal policies regarding disposition of parking tickets may be established on approval of the vice chancellor or designee whose responsibilities include supervision of parking services under the advisement of the university's internal auditor.

(3) Inoperable vehicles. It is the owner's responsibility to immediately contact parking services in the event that the owner's vehicle becomes inoperable when the vehicle is present on campus.

(4) Payment of parking fines:

(a) All parking fines are due upon issuance of a parking ticket. Thirty days after date of issuance of a parking ticket, a late fee shall be added to all unpaid parking fines. For example, a parking ticket issued on May 1st would be assessed a late fee on May 31st. Failure to pay the fine and fee assessed for any violation results in referral to the university controller's office for collection. The controller (or designee) may, if other collection efforts fail, withhold the amount of the outstanding fines and fees from deposits or other funds held for any student to secure payment.

When collection efforts are unsuccessful, the controller (or designee) may notify the registrar to refrain from issuing student transcripts or to withhold permission to reenroll for a subsequent term until outstanding fines and fees are paid. The procedures discussed above are not exclusive, however, and failure by anyone to pay fines and fees may also lead to towing or use of the vehicle immobilization device described in these regulations. Nor are the procedures discussed above a precondition to towing or use of vehicle immobilization.

(b) Account balances not paid to the university voluntarily may be forwarded to an external collections agency and are subject to additional collection fees of up to 50 percent, attorney's fees, and court costs when necessary.

(5) Failure to pay fines. Failure to pay a fine or comply with other penalties assessed pursuant to these regulations, and exhausting or failing to exercise appeals provided for in these regulations, may result in the inability to renew a vehicle license through the state pursuant to RCW 46.16.216.

WAC 504-19-860 Appeal procedure. The parking ticket represents a determination that a parking violation has been committed and the

determination is final unless otherwise provided for or appealed as provided in this chapter.

(1) Purpose. The parking appeals process serves the following functions:

(a) To hear parking ticket appeals;

(b) To hear appeals of vehicle immobilization-eligible determinations; and

(c) To hear appeals of impoundments.

(2) Procedure. Any individual who has received a parking ticket may appeal the alleged parking violation. Appeal of vehicle immobilization-eligible determinations and impoundments are described in WAC 504-19-865 and 504-19-870.

(3) Written parking ticket appeals. The appeal must be in writing and received at parking services within 10 calendar days of issuance of the parking ticket. Forms for this purpose are available from parking services. The parking appeals committee makes an initial decision regarding the appeal within 20 calendar days during the academic year and 30 calendar days during the summer months after receipt of the appeal. The committee provides a brief statement of the reason for its decision to the appellant within 10 calendar days of the decision.

(4) Review hearing of initial decision. If the appellant is dissatisfied with the initial decision, they may request a hearing before a hearing officer or the parking appeals committee. Such a request must be made within 10 calendar days of the date of the initial parking appeals committee decision. If no such request is received, the initial decision shall be final. During the hearing the appellant and representatives of parking services may present and cross-examine witnesses. The hearing officer or appeals committee shall render a decision in writing and provide the appellant with the decision within 10 calendar days after the hearing.

(5) Appeal to district court. RCW 28B.10.560 provides that an individual who is not satisfied with the final decision of the university may appeal to district court. The application for appeal to district court shall be in writing and must be filed at parking services within 10 calendar days after the date of the review hearing. Parking services forwards the documents relating to the appeal to the district court.

PART V: IMPOUNDMENT OF VEHICLE

WAC 504-19-865 General. (1) Pursuant to the provisions of this chapter, an officer shall cause a vehicle to be immobilized, or towed, or both, if:

(a) The vehicle is on the vehicle immobilization-eligible list; or

(b) The vehicle displays a lost, stolen, or counterfeit parking permit.

(2) Any vehicle may be towed away at owner's/operator's expense if the vehicle:

- (a) Has been immobilized by a vehicle immobilization device for more than 24 hours; or
 - (b) Is illegally parked in a marked tow-away zone; or
 - (c) Is a hazard or obstruction to vehicular or pedestrian traffic (including, but not limited to, vehicles parked at curbs or rails painted yellow or red or in crosswalks); or
 - (d) Cannot be immobilized with a vehicle immobilization device; or
 - (e) Is illegally parked in a disability space; or
 - (f) Is parked in an area designated to be used for emergencies, maintenance, events, or construction; or
 - (g) Is otherwise illegally parked on the executive authority of parking services or the university police department.
- (3) The driver and/or owner of a towed vehicle shall pay towing and storage expenses.
- (4) Any vehicle immobilized by use of a vehicle immobilization device in excess of 24 hours is assessed a storage fee for each calendar day or portion thereof, beyond the first 24 hours of being immobilized.
- (5) The university assumes no responsibility in the event of damages resulting from towing, use of wheel lock devices, storage, or attempts to move a vehicle with a vehicle immobilization device installed.
- (6) No vehicle impounded by towing or vehicle immobilization devices shall be released until the following fines are paid in cash or with an approved payment card:
- (a) All unpaid parking ticket fines and late fees against said vehicle and any other vehicle registered to the owner;
 - (b) A vehicle immobilization fee; and
 - (c) All towing and storage fees.
- (7) An individual wishing to challenge the validity of any fines or fees imposed under this chapter may appeal such fines or fees as provided in WAC 504-19-860. However, to secure release of the vehicle, such individual must pay the amount of such fines or fees as a bond which shall be refunded to the extent the appeal is successful.
- (8) An accumulation of six unpaid violations during any 12-month period, exclusive of overtime at parking meter violations, and overtime in time zone violations, subjects the violator to revocation or denial of parking privileges. Vehicles without permits which accumulate the above number of violations may be prohibited from parking on university property.

WAC 504-19-870 Vehicle immobilization-eligible list. (1) The parking administrator shall be responsible for creating and maintaining the vehicle immobilization-eligible list. See definition of "vehicle immobilization-eligible vehicle."

(2) A vehicle immobilization-eligible vehicle shall be placed on the vehicle immobilization-eligible list after notice has been issued as provided in subsection (3) of this section and an appeal of the vehicle immobilization-eligible determination, if requested, under subsection (4) of this section.

(3) At least 10 days prior to placing a vehicle on the vehicle immobilization-eligible list, the parking administrator shall mail a notice to the owner. The parking administrator mails the notice to the address stated on the most current registration records available to the university from a state, or any more current address of which the parking administrator or chief of police has actual written notice. The notice is sent by first class United States mail, postage prepaid. The notice shall set forth:

(a) The make and license plate number of the alleged vehicle immobilization-eligible vehicle.

(b) A specified date on which the vehicle immobilization-eligible vehicle is subject to placement on the vehicle immobilization-eligible list.

(c) A list of the three or more alleged unpaid parking tickets, including the parking ticket number, date, time, place of the violation, and the nature of the violation. This list shall include all unpaid parking tickets issued to a particular vehicle to include the payment of fines and fees related to parking tickets not yet eligible for late fees.

(d) That the owner may avoid the placement of the vehicle on the vehicle immobilization-eligible list by making payment in full of fines and late fees on all unpaid parking tickets to include the payment of fines and fees related to parking tickets not yet eligible for late fees by the specified date on which the vehicle is subject to placement on the vehicle immobilization-eligible list.

(e) The name, mailing address (and street address if different), and telephone number of parking services that may be contacted to appeal the vehicle immobilization-eligible determination. Such an appeal only considers whether an individual vehicle was properly placed on the vehicle immobilization-eligible list and not the merits of an individual parking ticket, which may be addressed pursuant to a separate appeals process described in WAC 504-19-860.

(f) That the vehicle is subject to vehicle immobilization, towing, or both once it is placed on the vehicle immobilization-eligible list.

(g) That all late fees, vehicle immobilization fees, towing, and storage fees shall be payable in full to obtain the release of a vehicle immobilized or towed pursuant to this chapter in addition to payment of any and all unpaid parking tickets on this vehicle or other vehicles owned by the registered owner to include the payment of fines and fees related to parking tickets not yet eligible for late fees.

(4) If a request for an appeal of a vehicle immobilization-eligible determination is received by the parking administrator before the specified date in the notice for placement of the vehicle on the vehicle immobilization-eligible list, then the parking administrator shall afford the owner an opportunity to appeal the vehicle immobilization-eligible determination prior to the placing of a vehicle on the vehicle immobilization-eligible list. Although the parking administrator shall not have the authority to adjudicate the merits of any parking ticket, they shall, however, receive evidence and other input from the owner appealing the vehicle immobilization-eligible determination that the notice given under subsection (3) of this section was erroneous or based on erroneous information.

(5) If an owner timely participates in the appeal as scheduled by the parking administrator, they shall furnish the owner written notice of their decision prior to placing the vehicle on the vehicle immobilization-eligible list.

(6) After the specified date provided in the notice issued under subsection (3) of this section, the parking administrator shall review the records to ensure that the alleged unpaid parking tickets have not been paid or otherwise resolved, and that no information has been received indicating that the notice was erroneous.

(7) Once a vehicle has been placed on the vehicle immobilization-eligible list, it shall not be removed from the list unless and until:

(a) The fines and fees on all unpaid parking tickets issued during the time it has been registered to or otherwise held by the owner are paid or otherwise resolved to include the payment of fines and fees related to parking tickets not yet eligible for late fees;

(b) The parking administrator receives reliable information that title to the vehicle has been transferred; or

(c) The parking administrator determines that the placement of the vehicle on the vehicle immobilization-eligible list was erroneous.

(8) If a vehicle is not properly registered in any state or no registration information is available to the university and the vehicle is vehicle immobilization-eligible, then notice shall be provided by posting on the vehicle a conspicuous notice, which shall set forth:

(a) A description of the alleged vehicle immobilization-eligible vehicle;

(b) A specified date on which the vehicle immobilization-eligible vehicle is subject to placement on the vehicle immobilization-eligible list;

(c) That the owner may avoid placement of the vehicle on the vehicle immobilization-eligible list by making payment in full of fines and late fees on all unpaid parking tickets to include the payment of fines and fees related to parking tickets not yet eligible for late fees by the specified date certain on which the vehicle is subject to placement on the vehicle immobilization-eligible list; and

(d) That the vehicle is subject to vehicle immobilization, towing or both once it is placed on the vehicle immobilization-eligible list.

(9) An officer shall attempt to immobilize any vehicle which appears on the vehicle immobilization-eligible list when parked, lawfully or unlawfully, on campus.

(10) The parking administrator or the senior police administrator shall ensure that officers are on duty to remove vehicle immobilization devices from vehicles Monday through Friday between 8:00 a.m. and 5:00 p.m., except during recognized holidays.

WAC 504-19-880 Fees, fines, and release of an impounded vehicle.

The owner of an impounded vehicle may not secure the release of the stored vehicle until payment in full of fines and fees has been made on all unpaid parking tickets to include the payment of fines and fees related to parking tickets not yet eligible for late fees relating to the vehicle which were issued while the vehicle was owned by the individual who owned the vehicle at the time it is immobilized or towed hereunder, and the owner has paid in full the vehicle immobilization fee, unpaid parking tickets, late fees, storage fees, and towing fees for any and all other vehicles owned by the registered owner.
