WAC 504-26-050 Supportive and interim measures. (1) While a student conduct matter is pending, the university may take a number of supportive measures on an interim basis to ensure the preservation of the educational experience and the overall university environment of the parties.

(a) These actions may include, but are not limited to:

(i) A no-contact directive assigned to any party;

(ii) University housing room change for one or more involved parties; and/or

(iii) Changes in academic schedules or assignments for one or more involved parties.

(b) These actions for registered student organizations may include, but are not limited to:

(i) Loss of recognition;

(ii) Restriction of specified operational activities.

(2) University departments implementing supportive measures must coordinate with CCS or CCR, as applicable, which advises the parties of the supportive measures and the process for challenging them. For matters involving UPPM 10.60, CCR or its designee facilitates supportive measures. For all other alleged standards of conduct violations, CCS facilitates supportive measures. Supportive measures are not sanctions and do not imply or assume responsibility for a violation of the standards of conduct.
