WAC 246-935-040 Responsibilities of a veterinarian supervising a licensed veterinary technician or an unregistered assistant. (1) A veterinarian must not delegate:

(a) To any licensed veterinary technician the performance of any animal health care services not authorized by WAC 246-935-040 or 246-935-050.

(b) To any unregistered assistant the performance of any animal health care services not authorized by WAC 246-935-040 or 246-935-050.

(2) The supervising veterinarian shall:

(a) Have legal responsibility for the health, safety and welfare of the animal patient which the licensed veterinary technician or unregistered assistant serves.

(b) Delegate animal health care tasks only if the licensed veterinary technician or unregistered assistant is qualified to perform the task, and the task is not precluded by the medical condition of the animal patient.

(c) Use the level of supervision required for a specific task.

(d) Make all decisions relating to the diagnosis, treatment, management, and future disposition of an animal patient.

(e) Limit the number of unregistered assistants under indirect supervision to that which is appropriate for the circumstances.

(f) Allow licensed veterinary technicians and unregistered assistants the right and responsibility to refuse to perform duties they are not legally or technically able to perform.

(3) A supervising veterinarian shall examine the animal patient prior to the delegation of any animal health care task to either a licensed veterinary technician or unregistered assistant. The examination of the animal patient must be conducted at the times and in the manner consistent with veterinary medicine practice, and the particular delegated animal health care task.

(4) If a licensed veterinary technician is authorized to provide supervision for an unregistered assistant performing a specified health care task, the licensed veterinary technician shall be under

the same degree of supervision by the veterinarian, as if the licensed veterinary technician were performing the task.

- (a) Owner's name, address, and telephone number;
 - (b) Species age, breed, sex, size, name, and predominant colors/markings;
 - (c) Month, day, and year of vaccination;

- (d) Month, day, and year of next vaccination due date;
- (e) Product name and identification of manufacturer;
- (f) Effective date of vaccine, example: One year, three years;
- (g) Vaccine serial or lot number; and
- (h) Veterinarian's name, license number, address, and signature.

(10) To be authorized to dispense pharmaceuticals, unregistered assistants must be registered as a veterinary medication clerk under chapter 246-937 WAC.

(11) Emergency animal care. Under conditions of an emergency, a licensed veterinary technician and unregistered assistant may render certain life saving aid to an animal patient.

(a) A licensed veterinary technician may:

(i) Apply emergency cardiopulmonary resuscitation and first-aid procedures and all tasks as listed in subsections (3), (4), (5), and (6) of this section;

(ii) Administer pharmacologic agents and parenteral fluids only after communication with a veterinarian.

(b) An unregistered assistant may:

(i) Apply noninvasive cardiopulmonary resuscitation and basic first aid procedures;

(ii) Provide other aid upon the order of a licensed veterinarian as outlined in this section.

WAC 246-935-060 Eligibility for examination as veterinary technician. Applicants must meet one of the following criteria to be eligible for the examination.

(1) Completion of an approved postsecondary educational program for animal or veterinary technology.

(a) Completion of a program for animal or veterinary technology approved by the Committee on Veterinary Technician Education and Activities (CVTEA) of the American Veterinary Medical Association (AVMA). The board approves all institutions accredited by, and in good standing with, the AVMA.

(b) Completion of a program for animal or veterinary technology approved by the Animal Health Technologist/Veterinary Technician Program Accreditation Committee (AHT/VTPAC) of the Canadian Veterinary Medical Association (CVMA). The board approves all institutions accredited by, and in good standing with, the CVMA.

(c) Other institutions applying for board approval must meet the accreditation standards of the CVTEA. It is the responsibility of the institution to apply for approval and of a student to ascertain whether or not a school has been approved by the board.

(d) The examination may be taken no sooner than six months before graduation from the approved course of instruction.

(2) Graduation from a two-year curriculum in animal health or veterinary technology which is not accredited by the CVTEA or AHT/VTPAC plus a minimum of thirty-six months of full-time experience under the supervision of a licensed veterinarian(s) who must attest to the completion of that experience.

(3) Award of a D.V.M. or V.M.D. degree or equivalent from an American Veterinary Medical Association accredited or listed college of veterinary medicine.

(4) Registration, certification, or licensure as an animal health or veterinary technician in one or more states and thirty-six months of full-time experience under the supervision of a licensed veterinarian(s).

(5) Completion of a course in veterinary technician education as a member of the United States military and completion of a tour of active duty as a veterinary technician or specialist.

WAC 246-935-090 Examination review procedures. (1) Each individual who takes the examination for licensure as a veterinary technician and does not pass the examination may request review by the board of his or her examination results. This request must be in writing and shall be received by the board within thirty days of notification of the examination results. The request shall state the reason or reasons

the applicant feels the results of the examination should be changed. The board shall not consider any challenges to examination scores unless the total revised score could result in the issuance of a license. The board shall consider the following to be adequate reasons for consideration for review and possible modification of examination results:

(a) A showing of a significant procedural error in the examination process;

(b) Evidence of bias, prejudice or discrimination in the examination process;

(c) Other significant errors which result in substantial disadvantage to the applicant.

(2) Any applicant who is not satisfied with the result of the examination review may appeal the board's decision and may request a formal hearing before the board under the Administrative Procedure Act. The hearing shall be requested within twenty days of receipt of the result of the board's review of the examination results.

WAC 246-935-135 How to obtain a temporary practice permit while the national background check is completed. Fingerprint-based national background checks may cause a delay in licensing. Individuals who satisfy all other licensing requirements and qualifications may receive a temporary practice permit while the national background check is completed.

(1) A temporary practice permit may be issued to an applicant who:

(a) Holds an unrestricted, active license to practice as a veterinary technician in another state that has substantially equivalent licensing standards to those in Washington state;

(b) Is not subject to denial of a license or issuance of a conditional or restricted license; and

(c) Does not have a criminal record in Washington state.

(2) A temporary practice permit grants the individual the full scope of practice as a veterinary technician.

(3) A temporary practice permit will not be renewed, reissued, or extended. A temporary practice permit expires when any one of the following occurs:

(a) The license is granted;

(b) A notice of decision on application is mailed to the applicant, unless the notice of decision on the application specifically extends the duration of the temporary practice permit; or

(c) One hundred eighty days after the temporary practice permit is issued.

(4) To receive a temporary practice permit, the applicant must:

(a) Submit the necessary application, fee(s), and documentation for the license.

(b) Meet all requirements and qualifications for the license, except the results from a fingerprint-based national background check, if required.

(c) Provide verification of having an active unrestricted license to practice as a veterinary technician from another state that has substantially equivalent licensing standards as Washington state.

(d) Submit the fingerprint card and a written request for a temporary practice permit when the department notifies the applicant the national background check is required.

CONTINUING EDUCATION REQUIREMENTS

WAC 246-935-270 Purpose. The standards established in WAC 246-935-270 through 246-935-310 may be cited as the "veterinary technician continuing education rules." The purpose of these rules is to establish standards of continuing education for licensed veterinary technicians. The rules provide for qualifying training methods, designating approved continuing education providers and setting minimum continuing education credit requirements.

[Statutory Authority: RCW 18.92.030. WSR 20-04-027, § 246-935-270, filed 1/28/20, effective 2/28/20. Statutory Authority: RCW 18.92.030 and 2007 c 235. WSR 08-20-126, § 246-935-270, filed 10/1/08, effective 11/1/08.]

WAC 246-935-280 Continuing education requirement. (1) Beginning January 1, 2020, a licensed veterinary technician shall complete twenty hours of continuing education every two years. Licensed veterinary technicians shall comply with chapter 246-12 WAC, Part 7 relating to continuing education requirements.

(2) A veterinary technician shall complete the continuing education requirements as follows:

If continuing education is due on the veterinary technician's renewal date in:	The next continuing education due date is on the veterinary technician's renewal date in the year below and every two years thereafter:
2020	2022
2021	2023
2022	2024

(3) The board may audit up to twenty-five percent of veterinary technicians after the license is renewed and may audit a veterinary technician for cause.

(a) Upon request by the board, the veterinary technician is responsible for submitting documentation of completed continuing education. Documentation must include, at a minimum:

- (i) The name and credentials or qualifications of the continuing education provider;
- (ii) The date of attendance or completion;
- (iii) Course title or subject; and
- (iv) The number of hours earned.

(b) Documentation for continuing education earned pursuant to WAC 246-935-295 (2)(b) must include, in addition to (a)(i) through (iv) of this subsection, a list of attendees, and materials that sufficiently describe the content of the presentation.

(c) Failure by a veterinary technician to cooperate with an audit or provide the requested proof of continuing education to the board is grounds for disciplinary action.

WAC 246-935-285 Approval of courses. The board will not authorize or approve specific continuing education courses or materials. All continuing education courses must be provided by organizations, institutions, or individuals in WAC 246-935-290 and contribute to the professional knowledge and development of the practitioner, enhance services provided to patients, and contribute to the practitioner's ability to deliver current standards of care. The board will accept continuing education that reasonably falls within these criteria, and relies upon the integrity of each individual practitioner, as well as that of program sponsors, in complying with this requirement. Courses cannot be exclusively for product promotion. The board reserves the right to not accept credits from any area for any practitioner if, upon auditing, the board determines that a course or material did not provide appropriate information or training.

[Statutory Authority: RCW 18.92.030. WSR 20-04-027, § 246-935-285, filed 1/28/20, effective 2/28/20.]

WAC 246-935-290 Organizations, institutions, or individuals approved by the veterinary board to provide continuing education courses. The board approves veterinary technician continuing education courses provided by organizations, institutions, or individuals (providers) including, but not limited to, the following:

- (1) Any board approved college or school of veterinary medical technology.
- (2) Any international, national, state, provincial, regional or local veterinary technician association.
- (3) National Association of Veterinary Technicians in America (NAVTA).
- (4) A veterinary technician specialist who is certified by a veterinary technician specialty (VTS) academy recognized by NAVTA when teaching a course within his or her area of specialty.
- (5) All veterinary technician specialty academies recognized by NAVTA.
- (6) The Washington state association of veterinary technicians (WSAVT).
- (7) Organizations, institutions, or individuals approved for veterinarians in WAC 246-933-460.

WAC 246-935-295 Categories and methods of continuing education activities. (1) Categories of continuing education:

- (a) Scientific or clinical. A minimum of fourteen scientific or clinical credit hours must be earned in any two-year reporting period. Credits must be obtained through education offered by an approved provider listed in WAC 246-935-290.

(b) Practice management or professional development. A maximum of six practice management or professional development credit hours may be claimed in any two-year reporting period.

(2) Methods by which continuing education may be obtained:

(a) Live attended courses. There is no limit for credit hours earned through live courses attended remotely, provided that attendees have the documented opportunity to question the instructor, hear the questions of other attendees, and receive responses in real time. The course must be obtained through education offered by an approved provider listed in WAC 246-935-290.

(b) Teaching. A maximum of six teaching credit hours may be claimed in any two-year reporting period. Qualifying courses must either meet the criteria under WAC 246-935-290 or must be presented through an accredited health care learning institution. Courses must be presented to veterinary technicians, other credentialed health care providers, or students of health care professions. Three credit hours will be granted for each course hour taught. Credit will be granted for only the first time a course is taught.

(c) Preprogrammed materials. Preprogrammed educational materials are noninteractive and may be presented in any form of printed or electronic media. A maximum of six credit hours may be claimed in any two-year reporting period for completion of preprogrammed educational materials. The materials must be obtained through education offered by an approved provider listed in WAC 246-935-290, and must require successful completion of an examination or assessment.

WAC 246-935-305 Veterinary technician suicide prevention education. A licensed veterinary technician or a retired active licensed veterinary technician shall complete a board-approved, one-time training in suicide prevention that is at least three hours in length. Training must include suicide awareness and prevention, mental health and well-being, and imminent harm by lethal means.

(1) This training must be completed by the end of the first full continuing education reporting period after July 1, 2022, or during the first full continuing education reporting period after initial licensure, whichever is later.

(2) The board accepts only courses that are listed on the board's website.

(3) Training completed between June 11, 2020, and June 30, 2022, that meets the requirements of subsection (2) of this section, is accepted as meeting the one-time training requirement of this section.

(4) The hours spent completing the training in suicide prevention under this section count toward meeting applicable continuing education requirements for veterinary technician license renewal.

WAC 246-935-307 Veterinary technicians health equity continuing education training requirements. (1) Veterinary technicians must complete a minimum of two hours in health equity continuing education

training every four years by complying with WAC 246-12-800 through 246-12-830.

(2) This training must be completed by the end of the second full continuing education reporting period after January 1, 2024, or the second full continuing education reporting period after initial licensure, whichever is later.

(3) The hours spent completing health equity continuing education under this section count toward meeting applicable continuing education requirements for veterinary technician license renewal.

(4) The board may randomly audit up to 25 percent of licensed veterinary technicians every two years for compliance after the license is renewed as allowed by WAC 246-12-190.

PREPARATION AND ADMINISTRATION OF LEGEND DRUGS, NONLEGEND DRUGS AND CONTROLLED SUBSTANCES

WAC 246-935-400 Citation and purpose. As provided in RCW 18.92.013, the purpose of WAC 246-935-400 through 246-935-440, unless the context clearly requires otherwise, is to define and clarify non-discretionary functions used in preparing, and administration of, legend drugs, nonlegend drugs, and controlled substances that may be delegated by a veterinarian to a licensed veterinary technician. The supervising veterinarian shall have legal responsibility for the health, safety, and welfare of the animal patient which the licensed veterinary technician serves. The supervising veterinarian shall delegate animal health care tasks only if the licensed veterinary technician is qualified to perform the task and the task is not precluded by the medical condition of the animal patient.

[Statutory Authority: RCW 18.92.030 and 18.92.013. WSR 10-06-086, § 246-935-400, filed 3/1/10, effective 4/1/10.]

WAC 246-935-410 Definitions. The definitions in this section apply throughout WAC 246-935-400 through 246-935-440 unless the context clearly requires otherwise.

"Administer" means the direct application of a drug whether by injection, inhalation, ingestion, or any other means, to the body of a patient.

"Controlled substance" means a drug, substance, or immediate precursor included in Schedules I through V as set forth in federal or state laws, or federal or pharmacy quality assurance commission rules.

"Deliver" or **"delivery"** means the actual, constructive, or attempted transfer from one person to another of a legend drug or controlled substance, whether or not there is an agency relationship.

"Legend drugs" means any drugs which are required by state law or regulation of the pharmacy quality assurance commission to be dispensed on prescription only or are restricted to use by practitioners only.

"Preparing" includes the proper selection, measuring, labeling, or packaging necessary to prepare a prescription or order from a licensed veterinarian for delivery.

[Statutory Authority: RCW 18.92.030(2). WSR 14-13-016, § 246-935-410, filed 6/6/14, effective 7/7/14. Statutory Authority: RCW 18.92.030 and 18.92.013. WSR 10-06-086, § 246-935-410, filed 3/1/10, effective 4/1/10.]

WAC 246-935-420 Delegated nondiscretionary functions used in preparing, and the administration of, legend drugs, nonlegend drugs and controlled substances. Nondiscretionary functions, tasks or actions used in preparing, and the administration of, legend drugs, nonlegend drugs and controlled substances, delegated orally or in writing by the supervising veterinarian to the licensed veterinary technician are:

- Accessing the drug;
- Selecting the appropriate quantity;
- Packaging and labeling of the drug;
- Administering the drug to the animal patient; and
- Delivery of the drug to the owner or authorized agent.
